

One Way Slide

The One Way Slide with Foot Loop is used for positioning and repositioning individuals in a wheelchair, lift chair, lounge chair or bed. It slides in one direction only, towards the rear, but not forward, eliminating sliding forward into a slumped posture. Machine washable to 60°C.

Custom sizes also available.

Size: 16" x 51" (40cm x 130cm)

Product Code 192L
