

# Silva Chest Sling

The Silva Chest Sling is designed for use with stand aids only, for transfers from bed to chair or toilet. It is padded with a non-slip back panel support. It has a waist support with velcro and buckle fastenings. This sling is well padded and is very comfortable in use.

Other features include colour coding on lifting straps and also colour coded size strap on the back of the sling. The Silva Chest Sling is washable at 95 degrees C (over the 90 degrees for hospital needs).

The Silva Chest Sling is available in the following sizes:
